

School of Engineering, The University of Tokyo

Department of Systems Innovation

Entrance exam in this year

Steps from Application to Acceptance Announcement

- Submission of application forms to the University of Tokyo, Graduate School of Engineering (5/30-6/5 3pm, from the Graduate School of Engineering website)
- Submission of application documents to the Department of Systems Innovation (due at noon JST on 6/26, from the Graduate School of Engineering website)
- **Document Based Selection** (6/26 - 7/24)
- Notification of the Document Based Selection results and technical questions (academic paper in the research field of the first-choice faculty member) (7/24, on the website of the department)
- **Below, only those who pass the Document Based Selection**
- Submission of answers to the technical questions (due at noon JST on 8/7, on the Graduate School of Engineering website)
- Submission of official TOEFL score (due 8/7, follow the instructions on the Graduate School of Engineering website)
TOEFL takes several weeks from application to obtaining official scores, so please take the test as soon as possible.
- **Online Oral Examinations** (8/25-8/29)
 - Oral examination (general): Questions and answers about your current research and research plans after acceptance
 - Oral Examination (technical): Questions and answers about your answers to the technical questions
- Announcement of acceptance (9/5, on the Graduate School of Engineering website)

Most Important Issues

- Graduate School of Engineering website
 - <https://www.t.u-tokyo.ac.jp/en/study-at-utokyo/soe/apply>
 - https://www.t.u-tokyo.ac.jp/hubfs/admission/2025/0404/text_2026_m_boshu_en.pdf
 - https://www.t.u-tokyo.ac.jp/hubfs/admission/2025/0404/text_2026_d_boshu_en.pdf
- Department of Systems Innovation website
 - <https://www.sys.t.u-tokyo.ac.jp/en/admissions/regularadmission/?lang=en>
 - https://www.t.u-tokyo.ac.jp/hubfs/admission/2025/0404/36_E_2026.pdf
- All documents must be uploaded from My Page of the Web Application System on the Graduate School of Engineering website.
- Follow the separate instructions on the Graduate School of Engineering website only for the submission of TOEFL scores.
- Contact your preferred supervisor(s) before submitting the application (required for doctoral candidates, recommended for master's candidates).
- Do not contact your preferred supervisor(s) regarding admissions after submitting your application (any questions should be addressed to The Administrative Office of Department of Systems Innovation.³

Admissions Information for Graduate School

General Admission

To enroll in the graduate school of Engineering as a Master's or Doctoral Student, you are required to successfully pass an entrance examination conducted by each [department](#). Please also refer to the website of the department you are applying to.

志望指導教員の申告票 [システム創成学専攻（修士課程）]

Declaration of Preferred Supervisors [Master's Program, Department of Systems Innovation]

システム創成学関連科目（専門科目）は第一志望指導教員の課題を解きます。
第一志望指導教員等登録内容は必ず控えておいてください。

You have to solve Problems Related to Systems Innovation which assigned to your first-choice supervisor. Please be sure to keep a copy of your selection including your first-choice supervisor.

* 必須 Required

1. 受付番号 *
Receipt Number

4. 志望順位 1 *

Order of Preference 1

---Please Select---

5. 志望順位 2

Order of Preference 2

---Please Select---

6. 志望順位 3

Order of Preference 3

---Please Select---

7. 志望順位 4

Order of Preference 4

---Please Select---

8. 志望順位 5

12. 志望順位 9

Order of Preference 9

---Please Select---

13. 志望順位 10

Order of Preference 10

---Please Select---

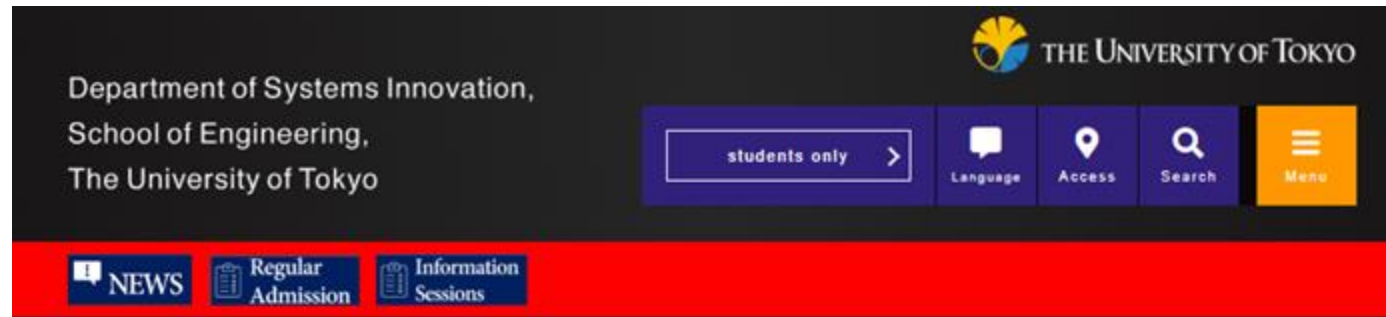

14. 記入した教員番号の指導教員に配属されない場合、合格を辞退したものとして扱う。ただし、志望しない指導教員に配属された場合も入学を希望する場合は以下にチェックを記入すること。

If you are not assigned to your preferred supervisors, your admission will be treated as declined. However, if you wish to enroll even if you are assigned to a supervisor not included in your preferred supervisor list, check the box below.

- ☐ 記入した教員番号以外の指導教員に配属される場合でも、入学を希望する
I wish to enroll even if I am not assigned to a supervisor not included in my preferred supervisor list

The number of students that can be accepted per teacher is not disclosed.

If you do not check here, you will be rejected, so please consider carefully, including your order of preference.

Regular Admission

On this page, you will find the information necessary for the entrance examinations*, including the Admission Guide, schedule, and past examination tests.

* For August 2025 (for those enrolled in October 2025 and April 2026)

Notice

April 4, 2025: This page is updated for August 2025 entrance examination.

Guide to Entrance Examination

[Guide to Entrance Examinations](#) [Regular Admissions Info \(School of Eng\)](#)

Documents to be submitted

*Submission of documents other than the official TOEFL score should be submitted through My Page of the Graduate School of Engineering's WEB application system.

Master

1) Declaration of Preferred Supervisors (Due date: June 26, Noon JST)

2) Motivation Letter with Research Plan (Due date: June 26, Noon JST)

※Download the format of "The Motivation Letter with Research Plan" below:

Financial Support, etc.

- **Almost all doctoral students are eligible for some form of financial support (non-repayable) (research grant: up to 230,000 JPY per month + research expenses: up to 1.5 million JPY per year).**
- **Master's students are also eligible to apply for a number of scholarships, and tuition and admission fees are fully or half waived depending on academic and family financial criteria.**
- **The Japan Student Services Organization (JASSO) scholarships (return required) also offer a return waiver system for both masters and doctorates for those with excellent grades.**
- **We also have a very good support system for studying abroad.**
